What happens when a reality show turns deadly? Determined to leave her old life behind, retired assassin Leine Basso accepts a job working security at one of televisions most popular reality shows, Serial Date. When a contestant is found dead in the prop closet, it appears the killer is one of the bachelors on the show- an ex-con billed as a serial killer- but the detective in charge of the case isnt so sure.

When Leines estranged daughter is abducted by a man claiming to be the real killer, shes forced to rely on old skills to find her, and must come to terms with who she really is. She soon realizes the murderer may be a grisly remnant from her past and shell need to use all of her cunning to stop him... ..and rescue her daughter. Bad Traffick: Dangerous obsessions take center stage when a former assassin and a homicide detective race against the clock to find a missing girl before shes sold to the highest bidder. Identified as a person of interest in three cold case murders she didnt commit, retired assassin Leine Basso accepts a temporary position as a security specialist for A-list actor Miles Fournier. Soon, a woman contacts Miles, claiming to be his long-lost sister. But, theres a problem: her twelve-year-old daughter, Mara, has been abducted and shes desperate to get her back. Leine learns from a contact that

Mara escaped, but the traffickers are determined to track her down and deliver her to their powerful client. Running out of time, Leine must find Mara before they do, or she will be lost forever. **The Body Market:** A retired assassin is called in when a celebration south of the border turns into a nightmare. Everythings for sale... Former assassin Leine Basso is hired by a wealthy Beverly Hills power couple to find their missing daughter, Elise, last seen partying with her boyfriend at a club in Tijuana. At first, police believe the two teenagers are the victims of a carjacking. But when Leine finds their missing vehicle with a mutilated body inside, and the local cartel warns her away, she knows if Elise isnt already dead, she will be soon, or worse. In the lethal world of organized crime, theres always a worse. As Leine races to uncover the reason behind Elise Bennetts disappearance, she must also battle the powerful interests fighting to keep her from the truth. Praise for the Leine Basso Thriller series: Taken fans will be overjoyed with this gritty thriller...following Basso as she works her tradecraft is a pleasure. ~ BestThrillers.com
