

Lady Luck (Mason Black Book 2)

Its been a year since he last saw a murder spree, but now theres a new killer in town Mason Black is just settling into his new life as a part-time PI, when a body is delivered to the SFPD. With his name carved into the bodys torso, a psychotic motive begins to unravel. People keep turning up dead, each with a new message. The ruthless killer who goes by the name of Lady Luck seems all but determined to pin it on Mason, and see to it personally that he suffers. Time runs short, and Mason must find this psychopath and discover why he was chosen. Because if he cant bring her to Justice, he will have no choice but to take the fall for her crimes
