

Medical Terminology Complete!

The goal of Medical Terminology Complete is to prepare readers for careers in health care professions by providing them with a self-guided tool for learning medical terminology. This new book is designed to make the task of learning medical terminology as simple as possible. It is written in a friendly, easy to understand manner. Medical Terminology Complete is centered on a programmed learning approach, combining narrative, visual, self-quiz, and clinical insert features. It contains many full color illustrations and photographs to help students visualize structures of the human body.
