

## Metzengerstein (with Daventry Press Annotations)

Edgar Allan Poe's first short story, Metzengerstein, has been in publication for decades, but have you ever read the whole thing, as Poe originally wrote it? Daventry Press has unearthed the originally published Poe edition and annotated it for today's readers. Even if you have a collection of Poe stories with this tale included, you're still missing out. Modern Poe anthologies are missing parts of Metzengerstein (among other things). Get the whole story here!
