

The Other Side of Midnight

[Read by Mary Jane Wells] London, 1925. Glamorous medium Gloria Sutter made her fortune helping the bereaved contact loved ones killed during the Great War. Now she's been murdered at one of her own seances, after leaving a final message requesting the help of her former friend and sole rival, Ellie Winter. Ellie can't refuse the final request of the only other true psychic she has known, and with the help of James Hawley, a handsome war veteran who has dedicated himself to debunking psychics, she delves into the sinister mysteries of Gloria's life and death. But Ellie is tormented by nightmarish visions that herald the grisly murders of those in Gloria's circle. And as Ellie's uneasy partnership with James turns intimate, an insidious evil force begins to undermine their quest for clues, a force determined to bury the truth-- and whoever seeks to expose it.
