

# Moby Dick

Moby Dick in half the time Moby Dick is the tale of one mans fatal obsession and his willingness to sacrifice his life and that of his crew to achieve his goal. The story follows the fortunes of Captain Ahab and the eccentric crew of a whaling ship, The Pequod. The ship is on its last voyage in pursuit of Moby Dick - the great white whale which wounded Ahab in the past is his quarry now. The battle with the elements, the sea, the dangerous confrontations of the whale hunts are embodied in the thrilling narration of the survivor Ishmael.
