18 monstrous origami projects for folders of all experience. This book presents 18 projects to create monsters of all kinds and sizes. The book opens with an introduction (or review, for experienced folders) of the basic folds. The brightly colored monsters are shown step by step with folds displayed clearly on the page, complete with directional arrows. Easy-to-follow text instructions offer extra help. The monsters are: Imp Beaky Proto Fierce Manix Googal Panix Fergal Rubix Trio Taurus Totem Sea Sprite Demon King Toothsome Demon Queen Fangster Sky Sprite. The monsters begin with simple folds, and become more complex further into the book. They can also be modified with extra body pieces, or the heads can be mixed and matched, to make no end of creatures. With 18 basic monsters to make, Monstergami is packed with fun activities to occupy active minds and idle fingers.
