

## Moon Lake

FEAR GROWS ON MOON LAKE And so do hundreds of beautiful water hyacinths. Their lavender petals caress the fog-enshrouded surface. Their sweet-smelling fragrance speaks of passion and death EVIL GROWS ON MOON LAKE And honeymooners Michael and Sandy Williams sense the uneasiness. The humming of the insects is too shrill. The mist is too suffocating. The hyacinths are too overgrown HORROR GROWS ON MOON LAKE And there is no way to stop it. In the murky depths, through the lush purple flowers, an almost human face takes form. Its glowing eyes pierce the water. Its icy breath chills the night air. It reaches out to claim the innocent to nourish the evil that lurks in MOON LAKE.
