

Moon Living Abroad London

Writer and adoptive Londoner Karen White knows what it takes to make the move to London. In *Moon Living Abroad London*, she shares her seasoned advice on transplanting to this bustling English city. From obtaining visas and arranging your finances to finding employment and choosing schools for your kids, White uses her firsthand knowledge of London to ensure that you have all the tools you need to navigate the ins and outs of the relocation process. Packed with essential information and must-have details on setting up daily life, plus extensive color and black and white photos, illustrations, and maps, *Moon Living Abroad London* will help you find your bearings as you settle into your new home and life abroad.
