

## Murder Most Howl

There's a new blonde in town. She's trouble, but also in trouble. This Yellow Labs master has been murdered and she's looking for help. Taser jumps in with all four paws, but soon he's over his head. An old enemy appears to complicate the murder investigation, while Taser finds himself falling in love and spending too-much time away from home. In his absence, things break down in the neighborhood. Taser enlists Meatloaf to help, but Meatloaf has his own problems breaking his seed pod addiction. The pack arrives to help, but in the end, it's Taser who must save the day or lose everything.
