

Naoki Urasawas 20th Century Boys, Vol. 17

This is the story of a group of boys who try to save the world! As boys, Kenji and his friends came up with a bunch of stories about an evil organization bent on world destruction. As adults, someone is now turning their fantasies into reality! Reads R to L (Japanese Style). It is the third year of the Friendship Era. Darkness covers the earth, and the world is under the control of evil. The Friend has become President of the World, and he reigns from within the enclosed walls of Tokyo City. Most people believe in the Friend, but hidden below the surface is a small ray of hope. Someone known as the Ice Queen is calling for the people to rise up, and she has deemed August 20 the day to take up arms... But can anyone really stop this nightmare?
