

Sea Warfare (Classic Reprint)

Excerpt from Sea Warfare
In Lowestoft a boat was laid,
Mark well what I do say!
And she was built for the herring trade,
But she has gone a-rovin, a-rovin, a-rovin,
The Lord knows where!
They gave her Government coal to burn,
And a Q. F. gun at bow and stern,
And sent her out a-rovin, etc.
Her skipper was mate of a bucko ship
Which always killed one man per trip,
So he is used to rovin, etc.
Her mate was skipper of a chapel in Wales,
And so he fights in topper and tails -eligi-ous tho rovin,
etc.
Her engineer is fifty-eight,
So hes prepared to meet his fate,
Which aint unlikely rovin, etc.
About the Publisher
Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com
This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
