

## The Snows Of Kilimanjaro/The Short Happy Life Of Francis Macomber

In THE SNOWS OF KILIMANJARO the protagonist perishes of gangrene alone out in the bush, recognizing his failure as a writer: a writer who never had the nerve to write. He dies with stoic acceptance and a view of the famous summit unseen by any alive. In THE SHORT HAPPY LIFE OF FRANCIS MACOMBER, Francis is too wimpy to face down a wounded lion, let alone satisfy his wife in bed. As always, Hemingways characters speak of his own self-perceived failures and fears. As often, Hemingway speaks for us all. Some of the best short stories written in this century.
