

Odd Thomas Series Books 1-5

Small-town guy meets big-time evil. Five Odd Thomas novels from master storyteller and international bestseller, Dean Koontz. Odd by name, a hero by nature.

ODD THOMAS: Odd Thomas is a fry-cook who can communicate with the dead. And when something evil comes to Pico Mundo, the desert town Odd calls home, Odd is the only one who can prevent a devastating whirlwind of violence and murder.

FOREVER ODD: Odd Thomas has lost the love of his life, Stormy Llewellyn, but he has no time to grieve before he is called upon to use his unique talents in the search for a missing friend. And what he discovers is far worse than a dead body.

BROTHER ODD: Odd Thomas is looking for peace in a remote monastery in the High Sierra. But even in the silence of the mountains, danger follows him, and Odd will come face to face with an enemy that eclipses any he has met before.

ODD HOURS: When intuition leads Odd to the quaint town of Magic Beach on the California coast, he takes a job as cook for a once-famous Hollywood actor. Disturbing dreams haunt his sleep, however, and nothing can prepare him for the nightmare that lies ahead.

ODD APOCALYPSE: Just off California's Pacific Coast Highway stands Roseland: a mansion, protected by high walls. Odd finds refuge there, with the mysterious Annamaria. But the house contains terrible and bloody secrets, and is haunted by lingering spirits. Roseland has welcomed them in, but will it ever let them leave?
