

## On Basilisk Station (Honor Harrington Book 1)

INTRODUCING HONOR HARRINGTON Having made him look a fool, shes been exiled to Basilisk Station in disgrace and set up for ruin by a superior who hates her. Her demoralized crew blames her for their ships humiliating posting to an out-of-the-way picket station. The aborigines of the systems only habitable planet are smoking homicide-inducing hallucinogens. Parliament isnt sure it wants to keep the place; the major local industry is smuggling; the merchant cartels want her head; the star-conquering, so-called Republic of Haven is Up To Something; and Honor Harrington has a single, over-age light cruiser with an armament that doesnt work to police the entire star system. But the people out to get her have made one mistake. Theyve made her mad. At the publishers request, this title is sold without DRM (DRM Rights Management).
