

## Top Mark ( short )

Meet the Marks. It was strange at first for Mark, dating a guy with the same first name as him. But the Marks developed nicknames for each other. Mark became Top Mark, a sly nod to his role in the bedroom. But after seven years together, Mark hasn't had much opportunity to be on top lately. There have been a lot of conversations avoided, unexplained absences, and some very unsettling phone calls. From the author of the very popular Sydney based novels *Vanity Fierce* and *The Indignities*, comes this new e-book short. In his trademark sexy style, Graeme Aitken explores the intricacies of a modern gay relationship with wit, insight and empathy.
