

Open Season (Joe Gunther Mysteries Book 1)

Lt. Joe Gunther of the Brattleboro, Vermont police force has a serious problem: in a community where a decade could pass without a single murder, the body count is suddenly mounting. Innocent citizens are being killed and others set-up seemingly orchestrated by a mysterious ski-masked man. Signs suggest that a three year-old murder trial might lie at the heart of things, but its a case that many in the department would prefer remained closed. A man of quiet integrity, Lt. Gunther knows that he must pursue the case to its conclusion, wherever it leads. Open Season is the first of Archer Mayors twenty-three Joe Gunther novels, a series of gripping police procedurals set in New England, where small-town charm, stoicism and civility sometimes conceal brutal truths.
