

## The Face of Death (Smoky Barrett Series)

I want to talk to Smoky Barrett or Ill kill myself. The girl is sixteen, at the scene of a grisly triple homicide, and has a gun to her head. She claims The Stranger killed her adoptive family, that hes been following her all her life, killing everyone she ever loved, and that no one believes her. No one has. Until now. Special Agent Smoky Barrett is head of the violent crimes unit in Los Angeles, the part of the FBI reserved for tracking down the worst of the worst. Her team has been handpicked from among the nations elite law enforcement specialists and they are as obsessed and relentless as the psychos they hunt; theyll have to be to deal with this case. For another vicious double homicide reveals a killer embarked on a dark crusade of trauma and death: an artist whos molding sixteen-year-old Sarah into the perfect victim and the ultimate weapon. But Smoky Barrett has another, more personal reason for catching The Stranger an adopted daughter and a new life that are worth protecting at any cost. This time Smoky is going to have to put it all on the line. Because The Stranger is all too real, all too close, and all too relentless. And when he finally shows his face, if shes not ready to confront her worst fear, Smoky wont have time to do anything but die.
