

Deaths Head II #9 August 1993

Deaths Head II arrives in 2020 to confront Dr. Necker at the moment of his origin but is stopped by the Light Brigade who tells him that he will destroy the future timeline if he continues; Inside the AIM complex, Deaths Head I battles Minion but is killed, thus paving the way for the creation of his successor; Bette Noir sends Deaths Head II back to 1993 to confront Necker at a time when it wont affect the future.
