

The Case of the Curious Bride: A Perry Mason Mystery

Gregory Moxley, alias Lorton, was a lady-killer. His wives lived in every corner of the U.S.A. He married them, took all the money they had, then ran out under a new name. Gregory had it coming to him. His corpse was an ugly sight. No one would admit having been in Gregory's apartment when he was murdered. But three people claimed they were ringing his doorbell at the time.
