

WANTED: PERFECT PARTNER (Mills & Boon comics)

Steve Conlan? You dont even know him! Meg, a divorced single mother, is outraged. Her daughter put out a personal ad in her name, and even arranged a date with a man she doesnt know. Meanwhile, Steve, waiting for Meg in a high-end restaurant, is also confused. He, too, has been tricked into being here, by his younger sister, who is concerned about his single status. But when Meg and Steve actually meet, they surprisingly find in each other kindred spirits. And so, they decide to join forces to get back at the family members who fooled them!
