

## Stations Of Desire: Love Elegies From Ibn Arabi And New Poems (Ibis Editions)

Poetry. Translation. One of the great mystics of all time, Muhyiddin Ibn al-Arabi was a prolific author who wrote on every aspect of medieval Islamic thought. Michael Sells STATIONS OF DESIRE contains the first translations of Ibn Arabis TURJUMAN into modern poetic English. Sells, one of the most distinguished contemporary translators of classical Arabic poetry, carries into his translations the supple, resonant quality of the original Arabic. The book also includes a selection of Sells original poems, which are modeled on the Turjuman and serve as a further commentary on the medieval odes and their extension into the present climate of poetry.
