

Pleasing Prince Renier

Micah witnesses the execution of his lover. It forces him to hide his identity beneath a cloak until one day when he is called upon to sing for Prince Renier of Delcove. He is ordered by the Prince to remove the hood and when his eyes and face are revealed, Prince Renier is fascinated and requests more from Micah than a song but their new found desire is punishable by death. Micah cannot abide another broken heart. He hatches a plan to be with his love but can Prince Renier protect them? When true love calls, is there a limit how far any man will go to keep it within his grasp?
