

## Spawn The Undead #3

Eve Riley cant sleep. Ever. She has had insomnia since she was a child. Now her waking hours are spent reliving that childhood, and the cruelty she endured at the hands of her grandmother. The ghost of her grandmother haunts her at night. Spawn teaches her that she is keeping these visions alive by reliving them, and Eve must forgive her grandmother in order to let her go, at which time peace....and sleep.....will come to her.
