

Provence A-Z

An indispensable, richly informative, and always entertaining audio sourcebook on Provence, by the writer who has made the region his own. Though organized from A to Z, this is hardly a conventional work of reference. It is rather a selection of those aspects of Provence that Peter Mayle, in almost 20 years there, has found to be the most interesting, curious, delicious, or down-right fun. In more than 170 entries, he speaks about subjects as wide-ranging as architecture and zingue-zingue-zoun (in the local patois, a word meant to describe the sound of a violin), and as diverse as expatriates, Aix-en-Provence, the Provencal character, legends, lavender, linguistic oddities, the museum of the French Foreign Legion, the museum of the corkscrew, the origins of La Marseillaise, and a bawdy folklore character named Fanny. And, of course, he tells us about food and drink: vin rose, truffles, olives, melons, bouillabaisse, the cheese that killed a Roman emperor, even a cure for indigestion. Provence A-Z is a delight for Peter Mayle's ever-growing audience and the perfect complement to any guidebook on Provence, or, for that matter, France.

Provence A-Z : Peter Mayle : 9781400095698 - Book Depository But it is the growth of independent, privately owned vineyards that is transforming both the taste and the reputation of Provencal wines.
