

Psychology, Books a la Carte Plus MyPsychLab Pegasus -- Access Card Package (10th Edition)

This text emphasizes the importance of critical thinking and the integration of culture and gender in the science of psychology. Well-known for its pioneering focus on the development of critical thinking skills crucial to students success in college and in later life, Psychology by Wade & Tavris is also widely regarded for the liveliness, warmth, and clarity of its writing style. Continuing its tradition of integrating gender, culture, and ethnicity throughout the text, Psychology provides a comprehensive introduction to the field.
