

Book of the Bitch: A Complete Guide to Understanding and Caring for Bitches (New Edition)

First published in 1997, Book of the Bitch is now available in a new edition, providing thorough, in-depth coverage of every aspect of caring for and understanding the canine female. For those interested in breeding a litter, the procedure for whelping and puppy rearing is carefully explained, while detailed advice is given on how to recognise signs of sickness, and, in particular, those diseases to which bitches are prone. Backed up with many clear illustrations and tables, Book of the Bitch is essential reading for anyone considering owning a female dog. This book was published in the UK, and is distributed in North America by Willow Creek Press.
