

## My Very Own Story - A play for children (Acting Edition)

Due to an unfortunate triple booking, three storytellers, Peter, Paul and Percy, arrive simultaneously each to tell his own story. After some acrimony, Percy wins out and is soon telling his story - a Victorian yarn featuring, to his dismay, Paul who has hijacked the leading role. Soon Peter in turn is continuing Percys unresolved fable only to find Percy appearing in this. In due course, Peter appears in Pauls gothic story (an extension of Peters forties tales) and together they reach a surprisingly happy conclusion.
