

Radigan: A Novel

When beautiful Angelina Foley presents Tom Radigan with a Spanish grant and claims ownership of his land, he realizes hes up against a cunning and deadly opportunist. Foley wants him off Vache Creek immediately, and with three thousand head of cattle, an outfit of hardcase gunfighters, and winter coming on, she is unwilling to take no for an answer. But Radigan has worked four hard years building up his ranch. Fighting for it and, if he has to, killing for it is something he is more than willing to do. If Angelina Foley and her men think he is the kind of man to give up without a fight, they are dead wrong.
