

Grimms Complete Fairy Tales

They are the stories weve known since we were children: RapunzelHansel and GretelCinderellaand Sleeping Beauty. But the works originally collected by the Brothers Grimm in the early 1800s are not necessarily the versions we heard before bedtime. Theyre darker and while they dont always end happily, their dark conclusions can be far more interesting.This edition of Grimms Complete Fairy Tales includes all our cherished favoritesSnow White, Rumpelstiltskin, Little Red Cap, and many morein their original versions. Many of these tales begin with the familiar refrain of once upon a timebut they end with something unexpected and fascinating!Lexile score: 1150L
