

The Hard Way

Jack Reacher was alone, the way he liked it, soaking up the hot, electric New York City night, watching a man cross the street to a parked Mercedes and drive it away. The car contained one million dollars in ransom money. And Edward Lane, the man who paid it, will pay even more to get his family back. Lane runs a highly illegal soldiers-for-hire operation. He will use any amount of money and any tool to find his beautiful wife and child. And then he'll turn Jack Reacher loose with a vengeance - because Reacher is the best man hunter in the world. On the trail of a vicious kidnapper, Reacher is learning the chilling secrets of his employers past...and of a horrific drama in the heart of a nasty little war. He's beginning to realize that Edward Lane is hiding something. Something dirty. Something big. But Reacher also knows this: he's already in way too deep to stop now.

The Hard Way (1943 film) - Wikipedia The Hard Way Is Easier. With the help of this book, you will do the incredibly simple things that all programmers do to learn a programming language: **Ex2: Comments And Pound Characters - Learn Python the Hard Way** Exercise 12: Prompting People.
