

Personal Secrets (Volume 4)

This book is an erotic gay romance. It contains explicit language and lots of steamy sex between two hot guys. For readers 18+ only. Blake Davis and husband Will are delighted when Ed Fellows turns up at the hospital the night their daughter is borneven if he is covered in mud from playing rugby and drunk out of his skull. Team-mate Colin is the Good Samaritan who drives him there, and when he takes Ed home, Colin finds himself on the receiving end of a blow-job. He has no problem with that whatsoever. Hes been in lust with Ed since Ed joined the rugby team some fourteen months ago. Only thing is, Colins assumed up til now that Ed is straight. Except the man sucking him off certainly didnt seem straight. Talk about the morning after the night before. Ed awakens to find a nearly-naked Colin asleep on his sofa. The problem is that for some reason, he cant get Colin out of his mind. Okay, so it wasnt the first blow-job Eds ever gotten from a guyor given, for that matterbut that was a long time ago, right? And why does Ed now want more? With friends Rick, Angelo, Blake and Will to advise him, Ed finds himself on a completely unfamiliar road, as he struggles to accept that maybe the line he is walking isnt as straight as hed first imagined.
