

Undone (Will Trent)

In the trauma center of Atlanta's busiest hospital, Sara Linton treats the city's poor, wounded, and unlucky and finds refuge from the tragedy that rocked her life in rural Grant County. Then, in one instant, Sara is thrust into a frantic police investigation, coming face-to-face with a tall, driven detective and his quiet female partner. In *Undone*, three unforgettable characters from Karin Slaughter's New York Times bestselling novels *Faithless* and *Fractured* collide for the first time, entering an electrifying race against the clock and a duel with unspeakable human evil. In the backwoods of suburban Atlanta, where Sara's patient was found, local police have set up their investigation. But Georgia Bureau of Investigation detective Will Trent doesn't wait for the go-ahead from his boss; she plunges through police lines, through the brooding woods, and single-handedly exposes a hidden house of horror. Then he finds another victim. Wrestling the case away from the local police chief, Will and his partner, Faith Mitchell, a woman keeping explosive secrets of her own are called into a related investigation. Another woman has been snatched. For the two cops out on the hunt, for the doctor trying to bring her patient back to life, the truth hits like a hammer: The killers' torture chamber has been found, but the killer is still at work. In her latest suspense masterpiece, Karin Slaughter weaves together moving, powerful human stories of characters as real as they are complex and unforgettable. At the same time she has crafted a work of dazzling storytelling and spine-tingling mystery as three people, with their own wounds and their own secrets, are all that stand between a madman and his next crime.
