

Extraordinary Retribution (INTEL 1) (Volume 2)

MURDER, TORTURE, AND VENGEANCE COLLIDE TO THREATEN THE HIGHEST ECHELONS OF POWER. Startlingly dark -San Francisco Book Reviews A labyrinth of highly charged action -Tome Tender A plot that never stops -ForeWord Reviews Evil is not born of madness, but madness of evil. Follow a rogue CIA agent who uncovers a shocking conspiracy deep in the intelligence community. But a shadow follows the investigation: a killer bent on a revenge so terrible, it is only matched by the crimes committed against him. In the end, no one escapes unscathed, no beliefs will go unchallenged, and no wrong will escape the terrible, final, and extraordinary retribution. Stebbins nails it with this book. Just when you think you have the recipe down for international thrillers, an author upends it and creates multifaceted characters and a plot that never stops. Intrigue, murder, ethics, religion, romance, an international setting...the author has packed everything -ForeWord Reviews A fast-paced international thriller...the twists and turns of plot continue right up to the last emotionally-charged paragraph -Midwest Book Review An addictive page turner and heart pounding thrill ride... an absolute must-read. You won't be able to put it down. -Internet Review of Books Book two in the INTEL 1 novels.
