

Emma (Annotated)

Emma is Jane Austens most acclaimed novel. It is also Austens longest novel and often cited as the most difficult of Austens novels. The novel is generally praised for its domestic realism. Emma can be thought of as a departure from Austens other novels as it focuses on a wealthy and beautiful protagonist with no financial concerns and no need to marry. This removes the quest for financial security through marriages that underpins the narrative structure of Austens other novels. Emma therefore has a distinctively lighter tone than the rest of Austens oeuvre. Austens stated goal with the novel was to write a novel with a heroine whom no one but myself will much like.
