

The Bourne Ultimatum (volume 1)

Synopsis Carlos the Jackal, the villain from THE BOURNE IDENTITY, returns in the third Jason Bourne spy thriller. No matter how desperately he tries to live in quiet obscurity, David Webb is never allowed to leave his bloody past behind him. There are those who refuse to forget that Webb once held the cover identity of Jason Bourne, CIA assassin. One of those is terrorist assassin Carlos, who, 10 years after the events of THE BOURNE IDENTITY, now plots revenge, vowing to kill Webb/Bourne. Webb must abandon his life as a university professor and family man, become Jason Bourne once again, and beat Carlos at his own dangerous game. Details Publication Date: 1990-03-01 Publishers Note The worlds two deadliest spies in the ultimate showdown. At a small-town carnival two men, each mysteriously summoned by telegram, witness a bizarre killing. The telegrams are signed Jason Bourne. Only they know Bournes true identity and understand the telegram is really a message from Bournes mortal enemy, Carlos, known also as the Jackal, the worlds deadliest and most elusive terrorist. And furthermore, they know that the Jackal wants: a final confrontation with Bourne. Now David Webb, professor of Oriental studies, husband, and father, must do what he hoped he would never have to do again-assume the terrible identity of Jason Bourne. His plan is simple: to infiltrate the politically and economically Medusan group and use himself as bait to lure the cunning Jackal into a deadly trap-a trap from which only one of them will escape.
