

## Rspb First Book of Mammals

Launching with four books looking at flowers, birds, mammals and minibeasts, each RSPB spotters guide will comprise 35 common garden creatures for beginner naturalists. Through beautiful full-page illustration accompanied by key information about each creature, books are designed to encourage young children's interest in the outside world and the wildlife around them. A spotters chart for children to fill in, and links to Internet-based activities in each book, mean that children can extend the fun.
