

Saint Overboard: The Saint, Book 16

The Saint is back - 50 audiobooks are now available starring the debonair classic crime hero. Simon Templar is the Saint - daring, dazzling, and just a little disreputable. On the side of the law, but standing outside it, he dispenses his own brand of justice one criminal at a time. How could the Saint possibly resist the chance of a treasure hunt? When his sailing trip along the French coast is interrupted by gunfire and shouting, naturally he gets curious. The cause of the commotion is a group of men pursuing a young woman - and once Simon steps in to help the damsel in distress, he soon finds himself on the trail of a group of modern-day pirates - and searching for a huge amount of gold. Leslie Charteris was born in Singapore and moved to England in 1919. He left Cambridge University early when his first novel was accepted for publication. He wrote novels about the Saint throughout his life, becoming one of the 20th century's most prolific and popular authors.
