

## The Killers: Slaughter in the bay... (The Max Grannit Adventures Book 2)

The Killers Granite is one of the toughest materials known to man. You need special tools to work it. Max Grannit is tough too: he has to be to survive the trouble he keeps getting himself into. Now, fresh from his ordeal at the hands of the black hats, Grannit is looking for a quiet life. But then he saves the life of a mysterious and beautiful young woman in a New York street. Soon, he is heading for more trouble, big trouble, in fact, when he agrees to act as the young woman's bodyguard. Grannit soon finds himself first in London and then the South of France, living luxuriously in each of those places, but also living dangerously. Killers seem to abound wherever Grannit goes. They are professionals too, whereas Grannit is an amateur.... About 61000 words.
