

Claimed By The Cowboy (Mills & Boon Desire) (Dynasties: The Newports, Book 3)

The reunion that pits city vs. country and turns old friends to lovers. Josh Calhoun escaped the rat race to run his family's farming operation. But when he returns to Chicago to mediate an inheritance dispute, he's confronted with the past: Dr. Lucinda Wilde. As his best friend's old girlfriend, she's always been off-limits. But his best friend is gone, and now the unavoidable attraction between them makes Josh think it is time to stake his claim. Will being with the rugged cowboy feel like a betrayal of her sweetheart's memory, or will his touch be this city girl's long-awaited reawakening?
