

Stars Collide

Finalist - 2015 GCLS - Traditional Contemporary Romance Its tough growing up in the spotlight and Freya Easter has had to do just that. Being part of the Conor family, who are Hollywood acting royalty, has meant that every aspect of her familys life has been played out in the spotlight. Despite her own fame, Freya has managed to keep one aspect of her life out of the public eye. However, a new job on the hit show Front Line, and a storyline that pairs her with the gorgeous Jordan Ellis, may mean that Freyas secret is about to come out. In a world of glitz and glamor Jordan Ellis has come to the conclusion that all that glitters is not gold. She has become disillusioned with relationships and, longing for a deeper connection, is surprised when it comes in the form of a most unexpected package. Whilst their on-screen counterparts begin a romantic journey, Freya and Jordan also find themselves on a pathway towards each other.
