

Familiar (Corduroy County Coven Book 1)

Small town witch, Deirdre Wallace, is used to being treated like a pariah. Her neighbors ignore her, the town delinquent has been stalking her, and the local police refuse to take the vandalism to her herb shop seriously. The sexy new cop in town, Ray Santos, seems like a godsend. Hes taking her case seriously. But their first meeting triggers a past life memory that thrusts them both right into the path of something evil. Now Deirdre has to sort out who she once was, who is on her side, and who is trying to kill her before her past life steals any chance she has at a future. Itll take more than one witch to tackle this demon. Thankfully, Deirdre has a whole coven to back her up.
