

Plan Overboard (Toronto Series) (Volume 14)

The much-anticipated sequel to ALL AT SEA brings back Melissa and the trio of brothers that vied for her heart, and a brand new heroine to root for in Corinne Kostopoulos. All Corinne has ever wanted was the role of clarinetist for the Toronto Philharmonic Orchestra. The clarinet, and working to master it, is all she has left of her father, who abandoned the family when she was a little girl. But after failing to clinch an open spot in a heated audition, her life-plan soon goes overboard. Not only does she break up with her longtime boyfriend, Clay, she also makes a decision that will alter her destiny in ways she never imagined...After a medical procedure and a couple of months of changing everything in her life, a pregnant Corinne meets Melissa and her gorgeous flirt of a brother-in-law, Austin, on a cruise. The heat of the Caribbean sun soon combines with a mutual attraction to create a sizzling connection neither Corinne nor Austin can deny. But when the truth comes out about Corinne's condition, will lifelong playboy Austin man up? Or will Corinne's hope for a future beyond a shipboard romance prove yet another PLAN OVERBOARD?
