

Prairie Blood (A Wilderness Giant Western Book 3)

While America is still a wild land, tough mountain men like Nathaniel King dare to venture into the majestic Rockies. And though he battles endlessly against savage enemies and hostile elements, his reward is a world unfettered by the corruption that grips the cities back east. Then Nates young son disappears, and the life he has struggled to build seems worthless. A desperate search is mounted to save Zach before he falls victim to untold perils. If the rugged pioneers are too late and Zach hasn't learned the skills he needs to survive all the freedom on the frontier won't save the boy.

ABOUT THE AUTHOR David L. Robbins was born on Independence Day 1950. He has written more than three hundred books under his own name and many pen names, among them: David Thompson, Jake McMasters, Jon Sharpe, Don Pendleton, Franklin W. Dixon, Ralph Compton, Dean L. McElwain, J.D. Cameron and John Killdeer. Robbins was raised in Pennsylvania. When he was seventeen he enlisted in the United States Air Force and eventually rose to the rank of sergeant. After his honorable discharge he attended college and went into broadcasting, working as an announcer and engineer (and later as a program director) at various radio stations. Later still he entered law enforcement and then took to writing full-time. At one time or another Robbins has lived in Pennsylvania, Texas, Oklahoma, Kansas, Montana, Colorado and the Pacific Northwest. He spent a year and a half in Europe, traveling through France, Italy, Greece and Germany. He lived for more than a year in Turkey. Today he is best known for two current long-running series Wilderness, the generational saga of a Mountain Man and his Shoshone wife and Endworld is a science fiction series under his own name started in 1986. Among his many other books, Piccadilly Publishing is pleased to be reissuing ebook editions of Wilderness,

Davy Crockett and, of course, White Apache.
