

In The Shadow Of Fear

Tommy Doyle has made a success of life in Sydney, Australia. Born in Northern Ireland to parents, who forced him into a psychiatric hospital at the age of sixteen, Tommy survived an often cruel and abusive regime. After being released, he meets and falls in love with Brenda Kennedy - an innocent girl who has come through an abusive relationship. The couple decide to make a fresh start, which takes them to Sydney to join Brenda's sister, Angela, and her husband Bobby. The group invests in a four-star hotel and settles down to what they believe is the Australian dream a sharp contrast to the sorrows and hardships of their previous lives. But they are about to face challenges far beyond the miseries they thought they left behind in Ireland. A dangerous affair by Tommy's nephew puts the family in the crosshairs of an underworld gang leader intent on defending his turf. Putting Doyle and his in-laws out of business is just part of his plan. He won't rest until they are all dead!
