

Trusting In Me - Complete Collection

Here, presented in one volume, are the four stories that comprise the Trusting In Me Series, a seriously hot and provocative romance by Lucia Jordan, written in her signature style of high passion, searing depictions and emotion. Katrina Morgan is the daughter of world famous ballerina, Liddy Morgan. After losing her mother during a tragic dancing accident, Kat sunk into a state of depression that jeopardized her own dancing dreams. But a decade later, Kat is determined not to allow the only real pleasure she has ever known to slip through her grasp. Leaving behind the comforts of her small town, Kat sets out to join the prominent School of American Ballet in New York City. There, Kat quickly discovers that dancing in the shadow of her late mother isnt an easy journey, and soon she takes the first steps in redefining true love and passion. This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
