

The Date (Single Wide Female in Love, Book 1)

Im putting all of my cards on the table with Blue. And yes, I do realize that I cant seem to stop these irrational (and slightly impure!) thoughts about MaxMax, my best friend. And I know its a risk. Youre right! And Ill probably never make a move but I so wish that I could get just one kiss from those lipsmaybe that would stop the madness once and for all. Anyway, thats not likely so Regardless, Im gonna meet THE one. If Blue never shows up, Im on a mission to find my Mr. Right and this time I wont stop until I do. Cross your fingers and say a prayer for me, okay?
