

Sloths For Kids (Amazing Animal Books For Young Readers Book 9)

Table of Contents Introduction What is a sloth? What kinds of sloths are there? Relatives of sloths The history of sloths and humans Pygmy three-toed sloth Hoffmans two-toed sloth Brown-throated sloth Giant sloth Conclusion Author Bio Publisher Introduction Youve probably heard of someone being called a sloth, or even of one of the Seven Deadly Sins, Sloth. But what is a sloth, and how did it come to be used as a bad thing to be called? You might guess that its some sort of horrible animal, but the truth couldnt be any different. Sloths are slow creatures, named for the sin rather than the other way around. However, there is nothing wrong with being slow, and as youll see, they are quite loveable creatures that cause harm to almost no one (other than things like insects).
