

Something Different

An Unhappily Married Man Michael Maguires love life has always lacked ... something. His wife is cold, his children are distant, and hes desperate for one night of self-indulgence. One night of real pleasure. So he heads to notorious Brixton Park seeking a prostitute, so divorced from his own needs, he isnt even sure of his type. A Rent Boy James Campbell is one trick away from life on the street. Trapped in the worlds oldest profession, he long ago gave up on breaking free. When he sees Michael on a bench in Brixton Park, he doesnt take no for an answer. James knows he can provide all the pleasure an unhappy, repressed man needs. Something Different

That first night leads to an affair so deep, so honest and challenging, neither Michael nor James can predict its end. Each tryst brings them a little closer, sampling every kind of pleasure until nothing is off the table. Not even love... Warning: this is an erotic m/m romance. The book contains frank language, adult situations and graphic sex.
