

Vision of the Future: Star Wars Legends (The Hand of Thrawn) (Star Wars: The Hand of Thrawn Duology - Legends Book 2)

Hugo Award-winning author Timothy Zahn brings his epic two-volume series *The Hand of Thrawn* to an explosive conclusion with a discovery that rocks the New Republic to its foundations--and threatens to resurrect the Empire. The Empire's master plan is under way. The New Republic is on the verge of civil war and the rumor that the legendary Admiral Thrawn has returned from the dead is rallying the Imperial forces. Now Luke Skywalker, Han Solo, Princess Leia, and their allies face the challenge of their lives. They must infiltrate a hidden fortress filled with Imperial fanatics, rendezvous with a double-dealing Imperial commander, and journey into enemy territory to learn the identity of those responsible for an act of unthinkable genocide. But most important of all is the truth about Thrawn. In his hands--alive or dead--rests the fate of the New Republic. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years! 1998 Lucasfilm Ltd. & TM All rights reserved.
